HEPATITIS A

**Get
vaccinated!**

How can I get infected?

When little amount of feces enters the mouth:

- during or after sex
- through drinking of dirty water or eating contaminated food

How can I protect myself?

Get a vaccination against Hepatitis A and B. If you are not yet vaccinated:

- change condom between anal and oral sex
- don't share sex toys.
- pay attention when fingering, rimming, fisting that no feces enter your mouth.
- take a shower after Sex

Talk to your Doctor about a vaccination. Aids Hilfe Wien will counsel you in person, by telephone or email. Our counselling is anonymous (secret) and free.

We care for you - Our registration hours for test and counselling are as below:

- | | |
|--------------------------|---------------|
| - Mondays and Wednesdays | 15:45 - 19:00 |
| - Thursday | 08:45 - 12:00 |
| - Friday | 13:45 - 17:00 |

The best time to visit us is at the beginning of the registration hours. You can reach us under 01/599 37 or beratung@aids-hilfe-wien.at
